Hoss's Hospitality Night – We made money in Jan. and had fun, so now we are going to do it again. Mark your calendars for Monday, April 9. We can have a brief meeting in concert with our dinner. Don will pick up the vouchers soon and distribute them.

KIDS CLUB – We **still** need to draft some kids at our "open house" sessions into our Kids Club. Please try to draft some kids during "open house". Applications are on hand. Also, don't forget to hand out our birthday party flyer.

TTOS – We are on track. The by-laws for the new division (Horseshoe Curve Division) have been forwarded to TTOS for review and approval. I am setting up committees to assist in the Convention activities. All of you that signed up for a gratis first year membership are expected to assist whenever you can. More exhibitors have been in contact recently.

NEW ARTICLES— I will welcome input for this modest newsletter from anyone who has something to contribute. Thanks to our California member, Stan Batynski, we still get a variety of very interesting articles that show real trains and model trains in comparison.

OPEN HOUSE— Don't forget "open house" on Mar. 24 & 25. We can always use volunteers to run trains, sell goodies and talk to people. **Absentees**- For those members who very rarely attend, come on in and mingle. The meetings are for the good of the organization and everyone should introduce their ideas to help our cause.

DISPLAY PROJECT – There is a group of volunteers signed up to design and construct display shelves. Anyone who would like to help out, contact Tim Black.

Everett RR – The Everett RR smacked a potato chip truck down in Claysburg recently. That 10 mph crash left the locomotive unscathed but hurt the truck somewhat. There is a truck driver looking for a job now.

FOOD FOR THOUGHT – **If at first you don't succeed, skydiving is not for you. A closed mouth gathers no foot!**

York – TCA Yes, in just about 5 weeks, we, the moderately insane train nuts will be making their pilgrimage to the TCA train meet at the York fairgrounds. George will try to fill the motor home with bargains. However, Joyce and George's gedunk stand, complete with hot dogs, soda, etc. is always a welcome sight.
