

Amtrak is pleased to offer the following menu specialties that have been designed specifically for the City of New Orleans. Please enjoy them as you travel with us.

APPETIZER

Shrimp Remoulade . . . *the quintessential combination of Chilled Gulf Shrimp and Creole Style Remoulade sauce is a Louisiana classic well worth trying. Creole mustard provides the zip that lends this cold sauce a savory tang that matches the briny freshness of the shrimp. Order one and see for yourself!*

PIZZA

Memphis BBQ pizza . . . *Sweet and Tart BBQ sauce on a pizza with roasted chicken breast and three cheeses? Y'all are best to try it and see for yourself how good this classic combo is served Italian style on a crispy "pie." Try it and enjoy!*

ENTREES

New Orleans style red beans and rice with Andouille sausage . . . *(served northbound only)*

One of the Crescent City's traditions, slow cooked red beans with smoked Andouille sausage and rice . . . home cooking personified Creole Style! And prepared exactly like Mom probably never could . . . you'll love this one for sure!

Chicken and sausage jambalaya . . . *(served southbound only)*

Our version of a time-honored Creole favorite that has as many recipes as there are cooks. Ours is different too as we slow cook the chicken with onions, smoked sausage, tomatoes, green peppers and chicken served separately from the rice.

DESSERTS

*From New Orleans, the culinary birthplace of crème brulee, we offer **crème brulee cheesecake . . .** a combination of creamy vanilla bean scented cheesecake with a burnt crème brulee topping with a smooth silky texture. What are you waiting for?*

Bread Puddin' Pie with Apples & Raisins . . . *Think about the best bread pudding you've ever had. Okay . . . hard to beat, right? Guess what! Unless you've had this one, served with bourbon spiked Crème Anglaise, we think you truly haven't had the best. Our money says this is it . . . ya gotta try it, unbelievable!*
