Photo CD Order Form

Seven photo CD's & a DVD are now available. Coke and Steel Vol. 1 & 2 has over 500 images taken over the past 15 years and includes Weirton, Lukins, Johnstown, Mingo Jct. Acme steel & Coke, Chicago, LTV Cleveland, Sparrows Point and others. This includes mill buildings, blast furnaces, BOF's, ore bridge, locomotives, specialized cars and various ancillary equipment. Most were taken on company property with permission. The Rouge photos were taken on three different visits and contain over 250 images. The National Steel photo has approximately 140 images taken on Zug Island before the USS merger, and the McLouth/ Ferrous Processors, a scrap steel dealer, CD has over 100 images including detail shots from the bell platform. The 2004 SIG and Steel Modelers Meet CD, includes Lackawanna Coke and other industries as well as photos of the model display and Ken McKorey's steel layout. Lake Michigan Mills is 350 photos of ISG (now Mittal) and Gary Works. A <u>DVD</u> containing all of the above plus about 200 photos of models built by Dean Freytag is also available (over 2300 photos). Ohio River Mills is the newest CD. About 200 photos from Mt. States Carbon (former WP coke), Wheeling Pittsburgh north plant and Weirton Steel. Including photos from on top of the furnace. All taken with permission on the property.
