Our November Meeting will be held on Thursday March 19th, 2015 at the Don Owens Center on the Heritage Discovery Campus located at 100 Lee Street in the City of Buffalo. The building is located between Elk Street and South Park Avenue. It is easily accessible from the Thruway. Just use the Smith Street exit off the 190. Turn South on Smith, at Elk St turn left, then right on Lee St. Pull through the gate into the building parking lot. Use the rear entrance. There is ample free parking and the meeting which starts at 7:00pm, is open to the general public. Guests are always welcome.

Our March program will be presented by Society Member Geno Dailey, covering a cross-country Amtrak trip he completed in November 2014. This program will cover riding a total of 9 Amtrak trains so as to visit all 4 Space Shuttles! The Amtrak routes that will be covered in this program include the Lake Shore Limited, Capitol Limited, Northeast Corridor, Silver Meteor, Southwest Chief, & Pacific Surfliner. In addition to the Amtrak routes and space shuttles, the program will cover railfanning at the new Iron Triangle Railfan Park in Fostoria, OH featuring lots of Norfolk Southern & CSX freight trains, along with rail-fanning Amtrak at Chicago's Roosevelt Road.

The program will conclude with 2 rides on the World Class Napa Valley Wine Train including extensive photos from a ride in one of their Montreal Loco-motive Works (ALCO) FPA-4's as well as more great photography along the beautiful route through Napa Valley. This program promises to be a truly great story about some phenomenal train travel and an incredible story about America! You won't want to miss this!!!
