### Annual Members Image/Slide/Video Night

Our January Public Meeting will be held on Thursday January 18th, 2018 at the Don Owens Center on the Heritage Discovery Campus located at 100 Lee Street in the City of Buffalo. The building is located between Elk Street and South Park Avenue. It is easily accessible from the Thruway. Just use the Smith Street exit off the 190. Turn South on Smith, at Elk St turn left, then right on Lee St. Pull through the gate into the building parking lot. Use the rear entrance. There is ample free parking and the meeting which starts at 7:00pm, is open to the general public. Guests are always welcome.

As is our annual tradition, members are invited to bring up to 40 of their favorite slides, digital images, and/or videos to show. We will have a slide projector, video projector and a laptop for your use. So dig through last year's photos, or dive into your archives from years ago. You may find stuff that you haven't seen in years. Pick out your most interesting shots and be prepared to narrate. If you have a video, you can use your own laptop or bring your DVD or CD and use our laptop.

### Train Show Help Needed

The February Train & Toy Show is only few weeks away on February 17th & 18th. This and the November shows are the Society's major fundraisers. The November Show was a great success and Art was pleased with his last call for volunteers.

Art Toale, our show chairman, has a full and competent set-up/tear-down crew. However Art still needs your help for the upcoming train show. In particular, he needs people to staff the doors to take tickets from 10am to 4pm each day and to monitor entry into the main hall from the three main entry points. You only need to do a couple of hours at the most. Any volunteers would be greatly appreciated.

To Volunteer, please call Art Toale at (716) 837-1791 or (716) 908-5719. You can also email Art at [wnytrainshow@hotmail.com](mailto:wnytrainshow@hotmail.com) or at [feebeelovr@yahoo.com](mailto:feebeelovr@yahoo.com).
