Public Meeting

Our next public meeting will be held on Thursday, March 20th beginning at 7pm at the Heritage Discovery Center. The Heritage Discovery Center is located at 100 Lee Street just off of South Park Avenue in the City of Buffalo. Parking is located at the rear of the building and you enter through the rear stairwell entrance. Following a brief business meeting to update you on the latest news from the Society, we will have brief intermission before the presentation of the evening's program.

Cross Country on Amtrak 2024

Our program for the evening will be presented by Society Member Geno Dailey covering a cross-country Amtrak trip he completed in July 2024. The presentation will consist of photography and commentary on a total of 4 Amtrak trains covering 3,237 route miles across 12 states. The routes covered in this trip will include the Lake Shore Limited, Southwest Chief and the Coast Starlight (2x). The trip will also include visits to Chicago's Roosevelt Road for railfanning as well as Lompoc, CA's own Jalama Beach County Park for more railfanning. You'll also see Amtrak's newest paint scheme "Phase VII" on P42DC locomotives.
