Membership Update

Public Meeting

Our next public meeting will be held on Tuesday November 19th beginning at 7pm at the Heritage Discovery Center. The Heritage Discovery Center is located at 100 Lee Street just off of South Park Avenue in the City of Buffalo. Parking is located at the rear of the building and you enter through the rear stairwell entrance. Following a brief business meeting to update you on the latest news from the Society, we will have brief intermission before the presentation of the evening's program.

"Rooms with a View"

Our program will be presented by Greg Lund. Greg is a Society member and his program is entitled "Rooms with a view", so named because it presents the opposite view of what many who have an interest in railroads see. The view is somewhat of an inward looking outward instead of outward looking inward that many see. The pics in the program include many views I took while working for Conrail and CSX during my career (1979-2020) as Tower Operator, Dispatcher, Yardmaster, Conductor and Engineer. It's approximately an hour long, depending on questions and stories that go along with the slides.
